CACoP Products

We produce several products to help co-ordinate changes across all the Codes, which are available on our website. We have recently updated two of our main products:

- The [Central Modifications Register](#), updated monthly, lists all the open modifications across all the Codes.
- The [Horizon Scanner](#) summarises all the wider industry initiatives over the next five years which are expected to impact at least two of the Codes.

If you have any questions or feedback on this Newsletter or what you would like to see in the future editions, please email us at cacop@gemserv.com or contact your Code Administrator. The next edition of this Newsletter will be published in April 2025.
